MOBILIÁRIO

A Sofima, Sociedade Fundição Injectada da Maceira, Lda, é uma empresa de cariz familiar, fundada em 1974, que se dedica à produção e comercialização de ferragens para construção civil e mobiliário, em Zamack e Latão.

Sediada em Maceira - Leiria, a Sofima dispõe de instalações próprias com uma área total de 26.000 m². Desde a sua constituição, a Sofima tem tido como objectivos garantir aos seus clientes uma maior qualidade dos seus produtos e simultaneamente, a realização profissional dos 80 colaboradores de que dispõe, sendo uma empresa certificada pela Norma NP EN ISO 9001:2000. Para tal a Sofima tem vindo a investir em meios técnicos e humanos, de forma a conseguir um aperfeiçoamento contínuo do seu trabalho e dar respostas às solicitações dos seus clientes.

Sofima – Sociedade Fundição Injectada de Maceira, Lda., is a familiar society, established in 1974, producing and selling ironworks in Zamack and brass, for the building construction and furniture industry.

Based in Maceira – Leiria, Sofima disposes of its own structure, with a total area of 26.000 m².

From the beginning that Sofima has the purpose to guarantee to their customers, the high Quality of their products and, at the same time, the professional fulfillment of their 80 collaborators.

Sofima is certified according to the Quality standard NP EN ISO 9001:2000, and is coming to put at interest in human and technical means, in a way to get a continuous improvement of their work, and giving answers to their customers' requests.
